Export phytosanitary certificate

Version	2
Validated on	22 September 2026
Generated on	24 September 2026, 04:00 (Libreville time)
Freshness	Up to date

The Gabonese Food Safety Agency (AGASA), the national authority for plant health risks, inspects plants, plant products, timber and wooden packaging for export and issues the phytosanitary certificate required by importing countries. The plant health police fee scale is set by decree.

Steps 4	Total indicative delay Not published	Total indicative cost Proportional or variable fees
Responsible institution Gabonese Food Safety Agency (AGASA)		Last validation 22 September 2026

Steps

1 Submit the phytosanitary certificate application

The exporter completes the export or re-export phytosanitary certificate application form offered online by AGASA and attaches the packing list and invoice.

Institution	Gabonese Food Safety Agency (AGASA)
Channel	Online or at the counter
Delay	Not published
Documents	Export phytosanitary certificate application, Packing list, Commercial invoice
Fees	Not published
Link	https://agasa.site/

2 Consignment inspection

Plant health officers inspect the plants, plant products and packaging. They may order quarantine, disinfection, refusal or destruction. A disinfection certificate is issued when a pest treatment is carried out.

Institution	Gabonese Food Safety Agency (AGASA)
Channel	At the counter
Delay	Not published
Fees	Disinfection certificate for seeds, cuttings, bulbs, bark and flowers, per m2 (WTO 2023): 15 FCFA (official)
Link	https://agasa.site/

3 Payment and issue of the certificate

The certificate is issued after payment under the scale of decree no. 000922/PR/MEFBP/MAEDR of 18 October 2005. For processed or semi-processed timber the export rate is 500 FCFA per cubic metre according to the WTO; rates for other products are not published online.

Institution	Gabonese Food Safety Agency (AGASA)
Channel	At the counter
Delay	Not published
Documents	Phytosanitary certificate, AGASA payment receipt
Fees	Processed or semi-processed timber, per m3 (WTO 2023): 500 FCFA (official) Not published (other plant products)
Link	https://agasa.site/

4 Attach the certificate to the export declaration

The certificate accompanies the detailed declaration lodged in ASYCUDA World and the shipping documents sent to the buyer.

Institution	Directorate General of Customs and Indirect Duties (DGDDI)
Channel	Online
Delay	Not published
Documents	Phytosanitary certificate, Detailed customs declaration
Fees	No specific published fee
