

Set up a limited liability company (SARL)

Version	1
Validated on	21 September 2026
Generated on	23 September 2026, 07:55 (Libreville time)
Freshness	Up to date

The SARL, and its single-member version (SARLU), is set up online through the ANPI-Gabon digital one-stop shop. The file then follows a single circuit covering registration of deeds, the RCCM, the tax number, social security and legal publication, and ends with the delivery of a single registration form.

Steps

1 Prepare the file

Gather the documents required by the online investment one-stop shop (GNI) for an SARL or SARLU. Each document must be legible and valid. If the activity is regulated, a technical approval may be required before or after incorporation.
